AN ACT TO PROVIDE THE DEVELOPMENT OF SCIENCE AND TECHNOLOGY SRI LANKA; TO PROVIDE FOR THE ESTABLISHMENT RESPECTIVELY OF THE NATIONAL SCIENCE AND TECHNOLOGY COMMISSION, THE NATIONAL SCIENCE FOUNDATION THE COUNCIL FOR INFORMATION TECHNOLOGY OF SRI LANKA THE INDUSTRIAL, TECHNOLOGY INSTITUTE AND THE ARTHUR C. CLARKE INSTITUTE FOR MODERN TECHNOLOGIES; AND TO PROVIDE FOR MATTERS CONNECTED THEREWITH OR INCIDENTAL THERETO.

BE it enactment Parliament of the Democratic Socialist Republic of Sri Lanka as follows:

1. This Act may be cited as the Science and Technology Development Act, No.11 of 1994 and shall come into operation on such date (hereinafter referred to as the "appointed date") as the Minister may appoint, by Order published in the Gazette.

2. The objects of this Act shall be –

(a) to promote the use of science and technology as an integral part of the effort to achieve rapid economic development, and improved quality of life and to alleviate poverty, and to involve scientists and technologists in the formulation of policy and in decision making;

(b) to foster scientific and technological activity in all its aspects with a view to developing self reliance in scientific and technological capability and to ensure the allocation of a reasonable proportion of the gross national product for science and technology activities;

(c) to support the development of indigenous technology wherever feasible whilst promoting the import, adaptation and assimilation of technology for rapid growth in industry agriculture and services;

(d) to ensure that institutions of higher education and technical education and research institutions produce scientists,technologists and technicians of high calibre and competence and to secure the provision of incentives to them with a view to ensuring their retention in Sri lanka;

(e) to provide adequate opportunities for all persons to acquire a basic education in science and its practical applications;

(f) to cultivate among the people, an appreciation of the value of science, scientific method and technology and of the integral role that science plays in modern society;

(g) to disseminate the benefits of science and technology activity to all sectors of the people;

(h) to encourage and strengthen cooperation in science and technology between scientists in Sri Lanka, and between scientists in Sri Lanka and scientists outside Sri Lanka, and to provide access to global scientific and technological knowledge and activity;

(i) to develop the capability to continuously plan, evaluate and review strategies, legislation: and the institutional framework for science and technology in Sri Lanka;

(j) to identify priority areas of science and technology likely to be of benefit to Sri Lanka and to promote research and development in such areas,

3. In formulating policies relating to science and to technology and in implementing such policies, the Minister shall have regard to the objects set out in section 2 and shall consult the National Science and Technology Commission.

PART I
THE NATIONAL SCIENCE AND TECHNOLOGY COMMISSION (NASTEC)
Establishment
There shall be established a Commission to be called the National of National
5. The functions of the Commission shall be

(a) to advise the Government on policies and plans for the development of science and technology including policies and plans relating to

(i) the application of science and technology to stimulate economic growth;

(ii) the impact of science and technology on health, and competitiveness of industry, agriculture, services and the economy;

(iii) the impact of science and technology on health, nutrition and poverty alleviation, with a view to improving the quality of life of the people;

(iv) the development of human resources needed for science and technology, in consultation with the authorities responsible for education, training and research;

(v) the development and management of the natural resources of Sri Lanka;

(vi) the identification and prioritization of science and technology areas that are likely to be of national importance;

(vii) the creation of a climate conducive for the build up, retention and attraction of science and technology expertise;

(viii) the establishment of management strategies conducive to the productive application of science and technology;

(ix) the allocation of funds for science and technology, including the priority of funding research and development in science and technology institutions;

(b) to submit a report annually, to the Government, reviewing the science and technology activities, in Sri Lanka in the preceding year, in relation to the objects set out in section 2 and on the effectiveness of measures for the development of human resources, the performance of science and technology institutions, the effectiveness of public spending on science and technology and the use of science and technology by public sector and private sector undertakings;

(c) to review the progress of science and technology institutions in relation to the objects set out in section 2;

(d) to consult relevant science and technology institutions before advising the Government on policies and plans relevant to those institutions;

(e) to convene the Sri Lanka Conference on Science and Technology biennially, with the prior approval of the Minister, and to provide a forum for the discussion of science and technology in Sri Lanka in relation to the object set out in section 2; submit a report to the Minister on such discussions.

(1) The Commission shall consist of seven members appointed by the President, in consultation with the Minister, from among persons who have distinguished themselves in the fields of science, technology, agriculture, commerce or industry.

(2) A person shall be disqualified from being appointed, or continuing as a member of the Commission if he is a Member of Parliament or a member of Provincial Council.
or is a Secretary to a Ministry or head of a department of institution, concerned with science and technology development.

(3) A member of the Commission may resign his office by letter addressed to the President, and such resignation shall be effective from the date on which it is accepted by the President.

(4) The President may remove a member of the Commission from office, without assigning any reason therefor.

(5) Subject to the provisions of subsections (3) and (4), the term of office of a member of the Commission shall be three years.

(6) Where a member of the Commission dies, resigns or is removed from office, the President shall, having regard to the provisions of subsection (1), appoint another member in his place.

(7) A member appointed under subsection (6) shall hold office for the unexpired period of the term of office of the member whom he succeeds.

(8) A member vacating office by effluxion of time shall be eligible for re-appointment.

(9)

(a) The quorum for any meeting of the Commission shall be four.

(b) The Chairman shall preside at every meeting of the Commission in the absence of the Chairman from any meeting of the Commission a member chosen by the majority of the members present at such meeting shall preside at such meeting.

(c) The Chairman of any meeting of the Commission shall in addition to his own votes, have a casting vote.

(d) The Commission shall meet at least once every month.

(e) Subject to the provisions of this section, the Commission may regulate the procedure in regard to its meetings, and the conduct of business at such meetings.

(10) The members of the Commission shall be paid remuneration at such rates as may be determined by the Minister with the concurrence of the Minister in charge of the subject of the Finance.

(11) The Commission may act notwithstanding any vacancy among its members and no act or proceeding of the Commission shall be deemed to be invalid by reason only of the existence of a vacancy in the Commission or any defect in the appointment of a member of the Commission.

Chairman of the Commission.

(1) The President may appoint one of the members of the commission to be the Chairman of the Commission.

(2) The Chairman may resign from the office of the Chairman by letter addressed to the President and such resignation shall be effective from the date on which it is accepted by the President.

(3) The President may remove the Chairman from the office of Chairman, without assigning any reason therefor.

(4) Subject to the provisions of subsections (2) and (3) the term of office of the Chairman shall be his period of membership in the Commission.
(5) The President may appoint another member of the Commission as an executive member of the Commission to assist the Chairman.

(6) The Commission may delegate any of its powers, functions and duties to the Chairman or the executive member appointed under subsection (5).

8. The Commission shall have the power:

(a) to appoint such study, groups or committees as may be necessary for the proper discharge of the functions of the Commission, consisting of persons with the prescribed qualifications, and to define the objectives of such groups or committees;

(b) to request and receive information relating to scientific and technological activity, from individuals, and bodies of persons, to analyse such information and to recommend priority areas for future development:

Provided however that no information receive; from any such individual or body of persons which such individual or body of persons is required to treat as confidential by any agreement between such individual or body of persons and the person to whom the information relates shall be disclosed by the Commission.

(c) to monitor the progress of projects and programs in Science and Technology Institutions;

(d) to prepare rules for the Sri Lanka Conference on Science and Technology, with the concurrence of the Minister;

(e) to enter with the approval of the Minister, into agreement for co-operation with institutions abroad having objects wholly or partly similar to those of the Commission for the exchange of technical and personnel and generally for such purpose as may be conducive to the attainment of their common objects;

(f) to submit before March thirty first of the following years, a report of the work done by the Commission during the year, to the Minister, who shall cause such report to be laid before Parliament;

(g) to appoint a secretary and such other officers and servants as may be necessary for the proper discharge of its functions.

PART II
THE NATIONAL SCIENCE FOUNDATION (NSF)

9. There shall be established a Foundation to be called the National Science Foundation (in this Part of this Act referred as "the Foundation"). The Foundation shall be a body corporate and shall have perpetual succession and a common seal and may be sued in such name.

10. The functions of the Foundation shall be:

(a) to initiate, facilitate and support basic and applied scientific research by universities, science and technology institutions and scientists, with a view

(i) to strengthening scientific research potential, including research in the social sciences, and science education programmes;

(ii) to developing the natural resources of Sri Lanka;

(iii) to promoting the welfare of the people of Sri Lanka; and

(iv) to training research personnel in science and technology;

(b) to foster the interchange of scientific information among
scientists in Sri Lanka and foreign countries;

c) to award scholarships and fellowships for scientific study or scientific work at science and technology institutions;

d) to maintain a current register of scientific and technical personnel, and in other ways to provide a central clearing house for the collection, interprets’ and analysis of data, on the availability of, and the current and projected need for, scientific and technical resources in Sri Lanka, and to provide a source of information for policy formulation on science, technology and other fields;

e) to popularise science amongst the people by funding programmes for that purpose.

11. Board of Management.

(1) The administration, management and control of the affairs of the Foundation shall be vested in a Board of Management (in this Part of this Act referred to as “the Board”) consisting of not more than eleven members to be appointed by the Minister;

(2) The Board shall be consist of:

(a) a Chairman;

(b) the Director of the Foundation;

(c) a representative of the University Grants Commission;

(d) a representative of the National Institute of Education;

(e) a representative of the Sri Lanka Association for the Advancement of Science;

(f) a representative of the Institute of Engineers, Sri Lanka;

(g) a representative of the Ministry of the Minister in charge of the subject of Finance; and

(h) not more than four other persons who have gained eminence in the fields of science, education, research, management or administration.

(3) A member of the Board other than the Director of the Foundation may resign his office by letter addressed to the Minister and such resignation shall be effective from the date on which it is accepted by the Minister.

(4) The Minister may remove a member of the Board (other than the Director of the Foundation) from office, without assigning any reason therefor.

(5) Subject to the provisions of subsections (3) and (4), the term of office of a member of the Board shall be three years.

(6) Where a member of the Board dies, resigns or is removed from office, the Minister shall, having regard to the provisions of subsection (2), appoint another member in his place.

(7) A member of the Board appointed under subsection (8) shall hold office for the unexpired period of the term of office of the member whom he succeeds.

(8) A member of the Board vacating office by effluxion of time shall be eligible for re-appointment.

(9)

(a) The quorum for any meeting of the Board shall be five.

(b) The Chairman shall preside at every meeting of the Board, in the absence of the Chairman
from any meeting of the Board, a member chosen by the majority of the members present at such meeting shall preside at such meeting,

(c) The Chairman of any meeting of the Board shall in addition to his own vote, have a casting vote.

(d) The Board shall meet at least once every month.

(e) Subject to the provisions of this section, the Board may regulate the procedure in regard to its meetings and the conduct of business at such meetings.

(10) The members of the Board shall be paid remuneration at such rates as may be determined by the Minister with the concurrence of the Minister in charge of the subject of Finance.

(11) The Board may act notwithstanding any vacancy among its members and no act or proceeding of the Board shall be deemed to be invalid by reason only of the existence of a vacancy in the Board or any defect in the appointment of a member of the Board.

Special powers of Foundation.

12. In addition to the powers conferred on it by section 25, the Foundation shall have the following powers: 

(a) to make research grants to commence or continue research projects connected with the functions of the Foundation;

(b) to establish and maintain liaison with individuals, associations or institutions in Sri Lanka and in other countries with regard to matters relating to funding of research in science and technology in Sri Lanka, and, the impact of such funding on the development of science and technology in Sri Lanka;

(c) to promote and assist Sri Lankan scientists technologists to participate in meetings and short term research work outside Sri Lanka subject to guidelines prepared by the Foundation a priority areas, subject to guidelines prepared

(d) to promote the publication of one or more journals at the national level;

(e) to establish such working committees as may be necessary for the discharge of the functions of the Foundation;

(f) to promote and facilitate, the return of Sri Lankan, scientists and technologists of distinction working outside Sri Lanka

PART III

COUNCIL FOR INFORMATION TECHNOLOGY (CINTEC)

13. There shall be established a Council to be called the Council for Information Technology (CINTEC) (In this Part of this Act referred to as the " Council "). The Council shall be a body corporate and shall have perpetual succession and common seal and may sue and be sued in such name.

Functions of the Council.

14. The functions of the Council shall be

(a) to formulate and plan programmes for the development of Information Technology in accordance with the information technology policy of the Government;

(b) to co-ordinate and monitor the implementation of in Information Technology plans and programmes including plans and programmes for

(i) the promotion and development of Information Technology literacy and its usage;
(ii) the identification and promotion of export Information Technology Services;

(iii) the promotion on of the use of Information Technology for the collection, assessment and dissemination of information of socioeconomic technological importance;

(iv) the development of the human resources in consultation with the authorities responsible for education and training;

(v) the promotion of research and development in Information Technology;

(vi) the identification and promotion of the use of Industry; and

(c) to advise the Commission on Information Technology Constitution

of the Council.

1. The Council shall consist of not more than fifteen members to be appointed by the Minister and shall consist of-

(a) a Chairman;

(b) the Director of the Council;

(c) the Director-General of Telecommunications;

(d) a representative of the Ministry of the Minister in charge of the subject of Finance;

(e) the Chairman of the University Grants Commission;

(f) the Chairman of the Technical and Vocational Education Commission;

(g) the President of the Computer Vendors Association;

(h) the President of the Computer Society of Sri Lanka;

(i) the President of the Computer Trainers Association;

(j) the President of the Software Association;

(k) a representative of the manufacturers of computer and communications related electronic and electrical equipment;

(l) a representative of the providers of telecommunication infrastructure and the providers of value added telecommunication services; and

(m) three other members appointed by the Minister from among scientists, technologists, managers and entrepreneurs actively engaged in Information Technology.

2. A member of the Council (other than the Director of the Council) may resign his office by letter addressed to the Minister and such resignation shall be effective from the date on which it is accepted by the Minister.

3. The Minister may remove a member of the Council (other than the Director of the Council) from office without assigning any reason therefor.

4. Subject to the provisions of subsections (2) and (3) the term of office of a member of the Council shall be three years.

5. A member of the Council vacating office by effluxion of time shall eligible for re-appointment.

6. Where a member of the Council dies, resigns or is
removed from the office, the Minister shall, having regard to the provisions of subsection (1), appoint another member in his place.

(7) A member of the Council appointed under subsection: (6) shall hold office for the unexpired period of the term of office of the members whom he succeeds.

(8)

(a) The quorum for any meeting of the council shall be seven.

(b) The Chairman shall preside at every meeting of the Council. In the absence of the Chairman, from any meeting of the Council, a member chosen by the majority of the members present at such meeting, shall preside at such meeting

(c) The Chairman of any meeting the Council shall, in addition to his own vote, having a casting vote.

(d) The Council shall meet at least once every month.

(e) Subject to the provisions of this section the Council may regulate the procedure in regard to its meeting and the conduct of business at such meetings.

(9) The members of the Council shall be paid remuneration at such rates as may be determined by the Minister with the concurrence of the Minister is charge of the subject of the Finance.

(10) The Council may act notwithstanding any vacancy among its members and no act or proceeding of the Council shall be deemed to be invalid by reason only of the existence of a vacancy in the Council or any defeat in the appointment of a member of the Council.

Special powers of the Council.

16. In addition to the powers conferred on it by section 25 the Council shall have the power to request and receive information relevant to National Information Technology plans and programmes, from individuals and bodies of persons to analyse such information and to recommend priority areas for future development provided however that no information received from any individual or body of person which such individual or body of persons is required to treat as confidential by any agreement between such individual or body of persons and the person to whom the information relates shall be disclosed by the Council.

PART IV
INDUSTRIAL TECHNOLOGY INSTITUTE (ITI)

Establishment
of Industrial Technology Institute.

17. There shall be established an Institute called the Industrial Technology Institute (ITI) (in this Part of this Act referred to as the “the Technology Institute”). The Technology Institute shall be a body corporate and shall have perpetual succession and a common seal and may sue and be sued in such name.

Objects and functions of Technology Institute.

18. The Technology Institute shall be demand driven. The object of the Technology Institute shall be to elevate the level of technology in Sri Lanka to the level required for rapid industrialization and in furtherance of this object, its functions shall be:

(a) to support industry by

(i) undertaking on contract, testing, investigation and research, for improving product quality technical processes and methods used is industry, and for discovering new processes and methods to be used in industry;

(ii) providing technical services and consultancies, and

(iii) engaging in activities connected with technology transfers, the adaptation of
(b) to conduct research with a view to accelerating industrial technology development;

c) to collect, process, and disseminate useful technical information, in particular on “shelf technology” with a view to accelerating industrial development;

d) to undertake training of persons in areas related to the experience of the Technology Institute;

e) to undertake or to collaborate in the survey and monitoring of environmental pollution and to recommend remedial measures to mitigate such pollution;

(f) to co-operate with government departments and institutions universities, technical colleges and other bodies in demand driven research to promote industrial technology development.

Board of Management.

(1) The administration, management and control of the affairs of the Technology Institute shall be vested in a Board of Management (in this Part of this Act referred to us the “Board”) consisting of not more than nine members appointed by the Minister.

(2) The Board shall consist of –

(i) a Chairman;

(ii) the Director of the Technology Institute;

(iii) the Secretary to the Ministry of the Minister in charge of the subject of Finance or his nominee.

(iv) the chief executive of lending institution, funding technology transfer and technology development; and

(v) not more than five other members appointed by the Minister, from among scientists, technologists and industrial entrepreneurs.

(3) A member of the Board (other than the Director of the Technology Institute) may resign his office by letter addressed to the Minister and such resignation shall be effective from the date on which it is accepted by the Minister.

(4) The Minister may remove a member of the Board other than the Director of the Technology Institute) from office, without assigning any reason therefor.

(5) Subject to the provisions of subsections (3) and (4) the term of office of a member of the Board shall be three years.

(6) A member of the Board vacating office by effluxion of time shall be, eligible for re-appointment

(7) Where a member of the Board dies, resigns or is removed from office, the Minister shall, having regard to the provisions of subsection (2) appoint another member in his place.

(8) A member of the Board appointed under subsection (7) shall hold office for the unexpired term of office of the member whom he succeeds.

(9)

(a) The quorum for any meeting of the Board shall be five.

(b) The Chairman shall preside at every meeting of the Board, in the absence of the Chairman from any meeting of the Board a member chosen
by the majority of the members present such meeting shall preside at such meeting.

(c) The Chairman of any meeting of the Board shall is addition to his own vote, have a casting vote.

(d) The Board shall meet at least once every month,

(e) Subject to the provisions of this section, the Board may regulate the procedure in regard to its meetings and the conduct of business at such meetings.

(10) The members of the Board shall be paid remuneration at such rates as may be determined by the Minister with the concurrence of the Minister in charge of the subject of Finance.

(11) The Board may art notwithstanding any vacancy among its members and no act or proceeding of the Board; shall be deemed to be invalid by reason only of the existence of a vacancy in the Board or any defect the appointment of a member of the Board.

Agreements for special services.

1. The Technology Institute may enter into any agreement with any person to carry out any special investigation, with the specific object of the discovery, invention or improvement of any process, apparatus or machine or in relation to any other area connected with the experience of the Technology Institute, subject to such conditions, and the payment of such charges, as may be agreed upon.

2. A right in any discovery, invention or improvement under any agreement referred to in subsection (1) shall, as may be provided by such agreement but. subject to the provisions of section 66 of the Code of Intellectual Property Act, No. 52 of 1979, be vested in either the Technology Institute or the person requesting the investigation.

PART V

ARTHUR C.CLARKE INSTITUTE FOR MODERN TECHNOLOGIES (ACCMIT)

121. There shall be establish an Institute to be called the Arthur C.Clarke Institute for Modern Technologies (ACCMIT) (in this Part of this Act referred to as the "Clarke Institute "). The Clarke Institute shall be a body corporate and shall have perpetual succession and a common seal and may sue and be sue in such name.

22. The functions of the Clarke Institute shall be"

(a) to accelerate the introduction of modern technologies, to Sri Lanka by”

(i) initiating ,promoting and conducting research and development in the application of "modern technologies; 

(ii) providing research and development support to the Government and private sector undertakings in the application of modern technologies; and

(iii) training of personal. in modern technologies to meet the needs of Government, and private sector undertakings; and

(b) to promote future studies.

In this Act, the expression "modern technologies" includes new materials, communications and related sciences, information technology, electronics, microelectronics, photonics robotics and space technology.
Governors of the Clarke Institute.

(1) The administration, management and control of the Clarke Institute shall be vested in a Board of Governors (in this part of this Act referred to as the Board) consisting of not more than eleven members to be appointed by the Minister.

(2) The Board shall consist of:

(a) a Chairman
(b) the Director of the Clarke Institute;
(c) the Vice-chancellor of the University of Moratuwa;
(d) a Vice-Chancellor of any other University nominated by the University Grants Commission;
(e) a member of the University Grants Commission nominated by the University Grants Commission;
(f) a representative of the Ministry of Finance;
(g) a representative of the Sri Lanka Association for the Handicapped;
(h) not more than four other members appointed by the Minister from among scientists, technologists and entrepreneurs actively engaged in modern technologies.

(3) A member of the Board (other than the Director of the Clarke Institute) may resign his office by letter addressed to the Minister and such resignation shall be effective from the date on which it is accepted by the Minister.

(4) The Minister may remove a member of the Board (other than the Director of the Clarke Institute) from office Without assigning any reason therefor.

(5) Subject to the provisions of subsections (3) and (4), the term of office of a member of the Board shall be three years.

(6) A member of the Board vacating office by effluxion of time shall be eligible for re-appointment.

(7) Where a member of the Board dies, resigns or is removed from office, the Minister shall, having regard to the provisions of subsection (2), appoint another member in his place.

(8) A member appointed under subsection (7) shall hold office for the unexpired period of the term of office of the member whom he succeeds.

(9) A member of the Board shall be paid remuneration at such rates as may be determined by the Minister with the concurrence of the Minister in charge of the subject of Finance.
The Board may act notwithstanding any vacancy among its members and no act or proceeding of the Board shall be deemed to be invalid by reason only of the existence of a vacancy in the Board or any defect in the appointment of a member of the Board.

**PART VI**

**GENERAL**

**Application of Parts VI and VII.**

24. The provisions of this Part and Part VII shall apply to the National Science Foundation established by Part II of this Act, the Council for Information Technology established by Part III of this Act, the Industrial Technology Institute established by Part IV of this Act, and the Arthur C. Clarke Institute for Modern Technologies established by Part V of this Act and every reference in sections 24 to 42 (both inclusive)"

(a) to "the Corporation" shall be deemed to be a reference to the National Science Foundation, the Council for Information Technology, the Industrial Technology Institute or the Arthur C. Clarke Institute for Modern Technologies, as the case may be;

(b) to "the Board" shall be deemed to be a reference to the Board of Management of the National Science Foundation, the Council for Information Technology, the Board of Management of the Industrial Technology Institute or the Board of Governors of the Arthur C. Clarke Institute for Modern Technologies, as the case may be; and

(c) to "the Chairman" shall be deemed to be a reference to the Chairman of the National Science Foundation or the Chairman of the Council for Information Technology or the Chairman of the Industrial Technology Institute or the Chairman of the Arthur C. Clarke Institute for Modern Technologies, as the case may be; and

(d) Director or the Director of the Corporation shall be deemed to be a reference to the Chairman of the National Science Foundation or the Director of the Arthur C. Clarke Institute for Modern Technologies as the case may be,

unless the context otherwise requires.

**Powers of Corporation.**

25. In addition to any powers expressly conferred on it by the preceding provisions of this Act the Corporation shall have the power"

(a) to acquire and hold any property, movable or immovable and to sell, lease, mortgage, exchange or otherwise dispose of the same;

(b) to open and maintain, current, savings or deposit accounts in any bank or banks;

(c) to enter into such contracts, agreements as may be necessary for the exercise, performance or discharge of its powers, duties or functions;

(d) to invest such of its funds as are not immediately required for the purposes of the Corporation in such securities as it may determine;

(e) to erect, equip and maintain such buildings including laboratories, libraries, workshops and offices, as are necessary for the discharge of its functions;

(f) to collect, print and publish reports, periodical and papers on subjects relevant to its functions;

(g) to appoint such committees and consultants as may be necessary for the proper discharge of its functions;

(h) to acquire such rights, privileges, powers licences and authorities as may be necessary for the performance and discharge of its duties and functions;

(i) to enter with the approval of the Minister agreements for co-operation with institutions whether in Sri Lanka or abroad having objects wholly or partly similar to those of the corporation for the exchange of technical personnel
generally, for such purposes as to the attainment of their common

(j) to delegate any of its powers, duties and functions the
Chairman, the Director or a committee appointed under
paragraph (g)

(k) to appoint such officers and servants as may be
necessary for the discharge of its functions;

(l) to exercise disciplinary control, including dismissal, over
the officers and servants so appointed, other than the
Director;

such officers and servants;

(n) to reward the scientists, engineers and technical
personnel and other employees of the Corporation, with
incentives based on performance.

Power to give
directions. 26. The Minister may from time to time after consultation with the
Board issue to the Board such general or special directions in writing
as to the exercise of the powers, and the discharge of the functions of
the Board and it shall be the duty of the Board to comply with such
directions.

Director. 27.

(1) The Director shall be the chief executive of the
Corporation.

(2) The Minister shall in consultation with the Board and
have regard to the qualification and the scheme of
recruitment specified under subsection (3) appoint a
Director of the Corporation.

(3) The Board shall with concurrence of the Minister,
specify the qualifications and the scheme of recruitment for
the post of the Director of the Corporation.

(4) The Director of the Corporation shall hold office for a
period of five years calculated from the date of his
appointment.

(5) The Minister may, on recommendation of the Board,
made after due inquiry, remove the Director from office“

(a) if he becomes permanently incapable of
performing his duties, or

(b) if he has done any Act which is manifestly
opposed to the objects and interests of the
Corporation.

(6) The Director of the Corporation shall be paid such
remuneration as may be determined by the Minister with
the concurrence of the Minister in charge of the subject of
Finance.

(7) The provisions of subsection (2) shall not apply to, or in
relation to, the appointment of the first Director of the
Corporation.

Declaration of
secrecy. 28. Every member of the Board or of a committee thereof,
and every officer of the Corporation shall, before entering
upon his duties, sign a declaration pledging himself to
observe strict secrecy respecting all matters connected
with the working, of the Corporation and shall by suet
declaration pledge himself not to reveal any information,
which may come to his knowledge in the performance of
his duties or the discharge of his functions, except”

(a) in order to comply with any provision of this
Act or any other written law; or

(b) in the performance of his duties or the
discharge of his functions, under this Act.
